Stria, LLC Makes Inc. 5000 List for Third Year

Stria, LLC, a Bakersfield owned and operated company, has made the Inc. 5000 list for the third time, as one of the fastest growing, privately held businesses in the United States.

Bakersfield, CA (Aug 15, 2018) - Central California based company, Stria, LLC. is thrilled to announce that for the third time, it has been named to the annual Inc. 5000 list. The company has previously been included in 2010 and 2011, and is one of two companies from Bakersfield to be listed this year.

Stria is a business process outsourcing company that specializes in document management systems. In conjunction with managing paper records and files, the company works to convert data files, wide format drawings, x-rays, and previously scanned content.

In order to qualify for Inc. 5000 list recognition, companies had to be privately owned, generated revenue by (or prior to) March 2014, and developed a revenue of at least \$2 million by 2017.

The company exceeded these requirements by generating \$5.2 million in revenue during 2017, while experiencing 83% in growth the last three years. Stria CEO, Jim Damian credits the company's dedicated employees and loyal customers for his organization's continued growth.
