About Stria

- 10-year history with DocuSign
- Dedicated team of implementation experts
- Core capabilities in:
 - Helping sales professionals close more deals!
 - CLM and eSignature deployments
 - Complex integrations (SFDC, CLM workflows)
 - Digital migration of data and documents
 - Hardcopy scanning initiatives

About Kern High School District

- Largest 9-12 school district in California
- 25 campuses serving 40,000 students
- 2,000+ Teachers
- Using agreement cloud in various departments
 - Student records (CLM)
 - Human resources (CLM and eSignature)
- Engaged Stria to improve the weekly attendance report (WAR) process

Original Weekly Attendance Report (WAR) Process

1. Administrative staff print and sort 2,000 paper-based attendance reports from Synergy student information system (SIS).

2. Hardcopy attendance reports delivered to 2,000 teachers.

3. Each teacher signs his or her personalized weekly attendance report.

4. Weekly attendance reports collected, sorted and filed by administrative staff.

5. Files stored offsite and retrieved for audits on regular basis.

Electronic Weekly Attendance Report (eWAR) Process

1. Digital attendance report file pulled from Synergy SIS into DocuSign CLM via API.

DocuSign® CLM

2. Stria's Classification-as-a-Services (CaaS) technology separates and tags each report.

3. DocuSign CLM advanced workflow routes each document to appropriate teacher for electronic signature.

4. Signed electronic weekly attendance reports (eWAR) stored in CLM. Available as needed for audit, etc.

DocuSign® CLM

5. Document and signature data available to administration via Stria's Dash reporting tool withing DocuSign CLM.

DocuSign® CLM

Deal Metrics

Kern High School District was so thrilled with the eWAR Solution, that they approved a similar project to automate the monthly signing of Personal Activity Reports which will include 51,000 additional DS eSignature envelopes plus 5 new CLM licenses.

**Stria is eager to implement more
agreement cloud deals in Education and
Government sectors!**
